Dear Ms. Shatberashvili,

I am referring to the previous e-mail and I would like to inform you that all the ITF/ECMT Italian Licences valid for the year 2010 have been imprinted using the old stamp for "Euro 3" written in Arabian number, instead of using the new stamp in Roman number "Euro III".

We kindly ask you to convey this information to all ECMT Member Countries.

Thank you in advance for your attention to this matter.

Yours faithfully
